WATERWORKS Festival: Round 2
New Works on Water Street
May-June, 2024
Adrienne Oliver, Director of New Works

Putting the playwright center stage

A month-long celebration of new theatrical voices building on Live Arts' long history of showcasing new works!

We are committed to cultivating new theater pieces, supporting playwrights in the development of their work, and diversifying local stories told on our stage.

LINEUP

- Locally Sourced, the Playwrights' Lab annual production of a series of short, original plays workshopped at the Lab meetings
- Readings of many new works selected by committee from submissions
- Spotlight works including two which we will be develop full readings:
 - *AH WING, THE AUTOMATON EAGLE* by Brandon Zang, with LingXi Chinese Theatre at UVA
 - *THE COLOUR WOMAN* by Petron Brown

CAST

Various; This year's inaugural festival engaged 50+ actors, 20+ directors, and over 100 volunteers.
