

## **WATERWORKS Volunteer Opportunities**

**Actor/Performer:** Join our pool of actors! We will be casting about 20 shows and staged readings. No more than a few rehearsals, plus 1-3 tech rehearsals and performances.

**Venue Manager:** A lot like stage management. Help with transitions between shows, track time, and communicate with box office and production teams at a specific venue.

**Venue Tech/Board Operator:** Help set up, run light and/or sound board during tech and performances, communicate with venue manager and production teams at a specific venue.

**Box Office Volunteer:** Assist with will call, ticket sales, and general information for audience members. Might also help out as an usher or with concessions.

**Usher:** Take tickets, seat audience members, assist with the flow of traffic into and out of shows, answer questions, pass out materials, and keep theaters tidy.

**Concessions/Bartenders:** Sell drinks, snacks, and merchandise to audience members and guests! Part of the Front of House team along with ushers, floor managers, etc.

**Party/Special Event Volunteer:** Like to party? Help with decorations, set-up, clean-up, and running special event activities.

**Marketing & Publicity Team:** Help distribute posters and flyers, contribute to social media content creation or graphic design, and/or assist with online distribution of festival information.

**Photographer/Videographer:** Take photos or videos at WATERWORKS shows, readings, and events. Work with the Live Arts marketing team to document this amazing festival!

**Scene Shop Volunteer:** We will continue our regular build schedule for WATERWORKS. Come lend a hand on Tuesdays and Saturdays. Full build schedule at [livearts.org](http://livearts.org).

**Other:** Interested in something that's not on this list? Let us know! Email [volunteer@livearts.org](mailto:volunteer@livearts.org) and talk to us about how you would like to get involved with the festival.
